**THURSDAY, JULY 15, 2021**

*Center Church of the Brethren*

Music & Testimony at 6:30pm | 2811 Ravenna Ave NE, Louisville, OH 44641

Adam's Road is a Christian, non-profit ministry dedicated to sharing the Gospel of Jesus Christ through song and testimony. Jesus unshackled four people and filled them with the knowledge of God's amazing grace. Adam's Road is made up of these four individuals, whom God rescued out of Mormonism and brought into a personal and saving relationship with Jesus. Through the transforming power of the gospel, those who once were blind, lost, and dead are now trophies of God's amazing grace. Come hear their stories.

## Sewing Seeds

I know many of us have been planting seeds in our gardens looking forward to having fresh produce on our tables. The seeds are just the first part of a journey to nurture and cultivate each plant to its true potential. So is it with God's children we are meant to plant the seeds of the scripture and nurture them to friends, neighbors, and family who do not know the wonders of God's love. The scriptures are our guidelines, but we need to read our bibles to discern what is necessary. Just as our garden matures so will our understanding of God message and we will be able to plant and nurture the seeds to our fellow man as he has instructed. Here is hoping you have a bountiful harvest.

Work continues at Center as the Garden Group keeps things moving along. We are also grateful for the funds from the district to replace the pavilion cement so that it can be safer. Work will begin the end of July weather permitting. And keep an eye out soon for the kids playground.

## Friendly Signposts

We need friends. Friends guide us, care for us, confront us in love, console us in times of pain. Although we speak of "making friends," friends cannot be made. Friends are free gifts from God. But God gives us the friends we need when we need them if we fully trust in God's love.

Friends cannot replace God. They have limitations and weaknesses like we have. Their love is never faultless, never complete. But in their limitations they can be signposts on our journey towards the unlimited and unconditional love of God. Let's enjoy the friends whom God has sent on our way.
